FASHION CALENDAR

NOTE: Events are repeated until they take place. New events, last-minute changes and revisions are added each week as quickly as scheduled. FASHION CALENDAR asks your indulgence for the unavoidable changes and new events that come up between issues.

N O T E

Several subscribers have suggested that we pass on this helpful hint. With paper so scarce and available Christmas wrapping paper mostly mediocre, they have taken to making the back covers of their old Fashion Calenders do double duty. They are tearing them off and using them to wrap small parcels. We won't mind. We've been doing it ourselves for years. And isn't it a lovely color!
